What you can get out

Home Appliances

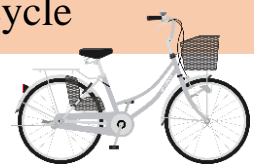

Heater (from stove)

Be sure to drain the kerosene and put it out.

Bicycle

Furniture & Bedding

Musical instruments

Caution

If you have a large amount of bulky waste from a move or cleanup, bring it directly to the Nishi-Harima Cleaning Center.

Please inquire at the store where you bought the product

Televisions, air conditioners, refrigerators, freezers, washing machines, clothes dryers, computer units, and displays are recycled by the manufacturer and cannot be put out.

How to Separate and Dispose of Household Garbage

Requests for garbage disposal

Time	Please put out your garbage by 8:30 a.m. on the collection day <the day you collect your garbage>.
Collection days	Garbage should be put out on the collection day set for each type of garbage. Collection dates are written on the "Collection Calendar". A "Collection Calendar" is available at City Hall.
How to dispose of them	Please separate them properly and put them in designated bags for each type. Bulky waste should be disposed of with a sticker. Designated bags and stickers can be purchased at supermarkets and convenience stores. Designated bags and stickers should be labeled with your name. Please be sure to tie the bag and put it out.
Location	Please put out your garbage at the designated garbage station in your area.

If you have any questions, please contact City Hall

moyasu gomi no fukuro
もやすごみの袋

What you can throw away

Raw garbage

Drain food scraps well.

Paper scraps

Plastic

e.g.) Hangers, buckets, wash basins, etc.

Waste cooking oil

Soak waste cooking oil in paper or cloth. Or harden it and put it out.

Disposable diaper

Please dispose of poop in the toilet. Diapers should be bagged.

Caution

Items that do not fit into the designated bags or weigh 10 kg or more are oversize trash.

How to dispose of non-burnable trash

Rules and manners for serving

- ◆ Up to 3 bags per time.
- ◆ Collected once every 4 weeks (Collection Calendar: **不燃**)
- ◆ Please dispose of them in designated bags for non-burnable trash.
- ◆ Please be sure to write your "full name" on the bag in the space after <氏名>. (ex. <氏名> "John Smith")
- ◆ Please make sure that the weight of the bag (10 kg or less) fits into the designated bag and that the bag cannot be torn when lifted by hand.

Bags for non-burnable trash
moyasanai gomi no fukuro
もやさないごみの袋

What you can throw away

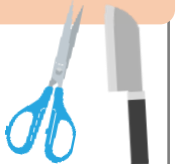

Ceramic & Glass

When putting out broken items, wrap them in newspaper or the like.

Knives, scissors, and razors

Wrap them in newspaper or the like.

Metal kitchenware

(kettles, pots, pans, etc.)

Small electrical products

(hair dryer, electric lamp, rice cooker, toaster, etc.)

Umbrella

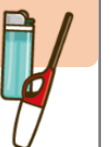

Spray can

Be sure to use it up and put it out.

Lighter

Be sure to use it up and put it out.

Caution

Items that do not fit into the designated bags or weigh 10 kg or more are oversize trash.

If the contents of a spray can remain in the can, it can lead to a fire accident.
